ATHENA LEMNIA

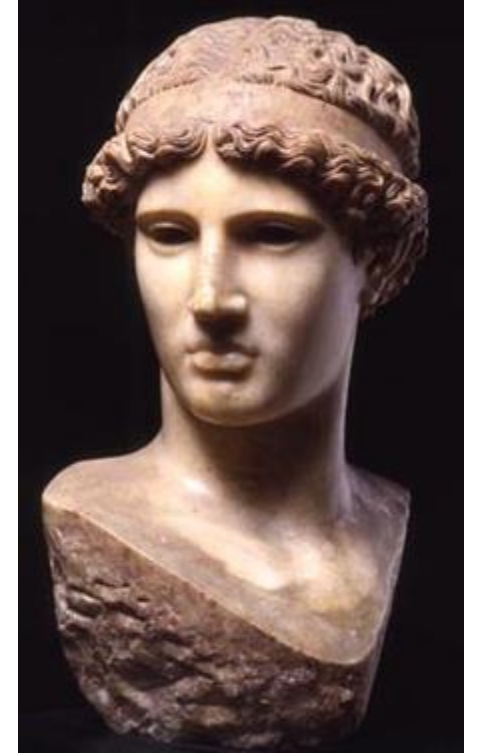

*Pheidias'ın bu eserini Lemnos adasındaki Atinalı sakinler ana şehre hediye etmişlerdir.

*Akropol'e girerken sol tarafta duran heykeli, eski yazarlardan Lukianos, yanaklarının tatlı oluşuna varıncaya kadar tasvir etmektedir.

-Dresden'deki heykel ile Bologna'daki başın Athena Lemnia'ya ait orijinal heykelin kopyaları oldukları anlaşılmaktadır.
